

FACTORY ASSEMBLED TOWERLITES

Type SK60 Tower Lights do **NOT** permit **increasing** the number of lights in a tower in the field. Removing Lights is Possible. A 3 light tall can be reduced to 2 lights, etc. Replacing Lights is Possible. (same color & voltage only)

HOW TO ORDER:

 Example... **SK60 V X C - GN GYR \$56.00 List**

Towerlite Diameter & Watt
 SK60= 2.4" (60mm)

Mounting Type
 V= Vertical Flat Base
 H= Horizontal Base, Adjustable 0°-180°
 (5 lights and/or horn max.)

Horn and Rotating Beacon
 H= Horn, mounted on bottom only.
 X = No Horn

Circuit Type
 F= Continuous Light...
 Customer provides On/Off Circuit
 C= Flashing

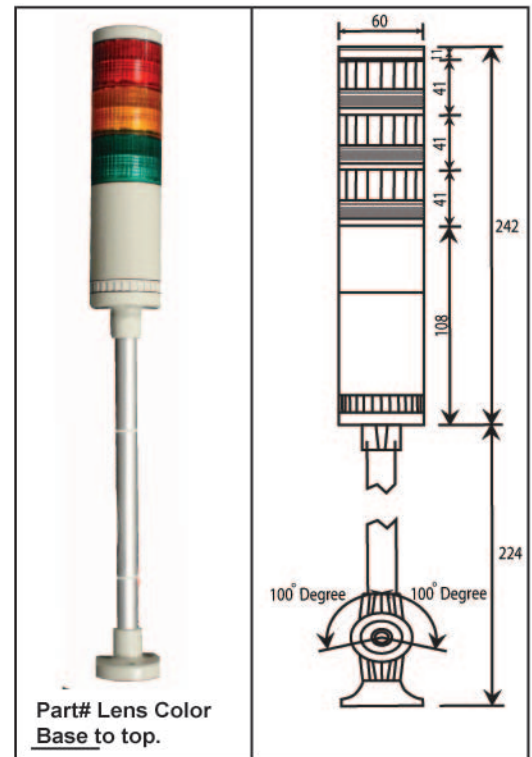

Lens Color Base to Top
 B = Blue
 R = Red
 G = Green
 Y = Yellow
 W = Clear/White

Voltage Suffix	
Suffix	Voltage
-GN	24VAC/DC
-A	110VAC
-C	230VAC

Hardware required when reducing number of lights.

Part #	Number of lights	
SK60-1	1	List \$1.00
SK60-2	2	List \$1.00
SK60-3	3	List \$1.00
Sk60-4	4	List \$1.00

Replacement Lenses (includes bulbs)		
Part #	*Voltage Suffix	**Color Suffix
SK60-***	-GN 24VAC/DC	-B Blue
List Price	-A 110VAC	-R Red
\$48.00	-C 230VAC	-G Green
		-Y Yellow
		-W Clear/White

 Adjustable 180° angle mount base
 Accessory Part #G8 \$10.00

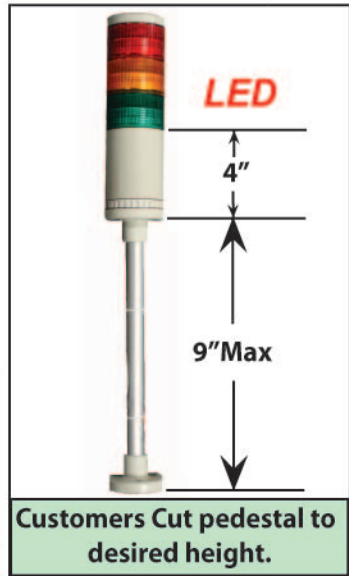

Factory Assembled Units:

Type SK60 Tower Lights do **NOT** permit **increasing** the number of lights in a tower in the field. Removing Lights is Possible. A 3 light tall can be reduced to 2 lights, etc. Replacing Lights is Possible. (same color & voltage only)

Towerlite Size	SK60
Per Light Stack <i>(Price per light stack level includes bulb, socket & lens)</i>	
Mounting Type	
V- Vertical	
H - Horizontal	
Horn	
H - Horn 90db, NEMA 1	+\$30
Circuit type	
C - Continuous	
F - Flashing	

***LED**
***Long Life**
***Low Power Consumption**

LED = Long Life Bulbs	- 20° F, + 122° F
Technical specifications	+ - 10% Voltage
250V 50/60HZ AC Max 1.5W	Insulation Voltage 600V AC
24V DC Max 0.4W	6,000' Ft, Altitude.
LED 15mA, 200mA Max	NEMA 12, IP54
Poly carbonate Plastic	(NEMA4,IP65 Jan.2011)

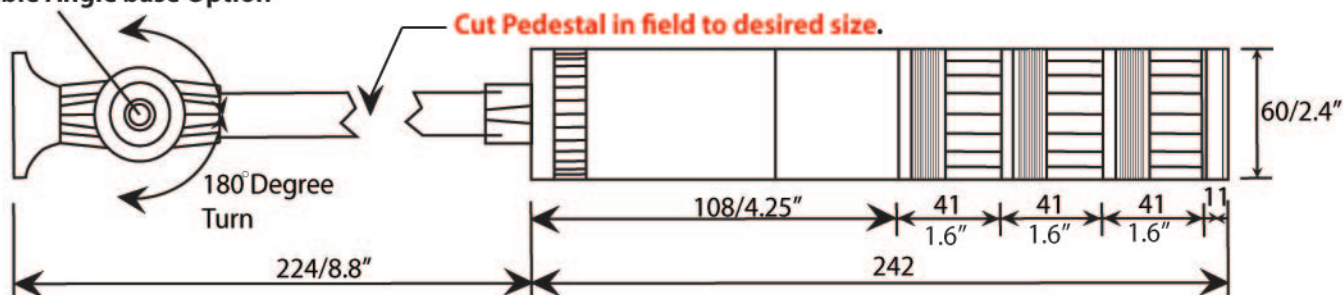

Factory Assembled Towerlite Part Number & Pricing Worksheet:

Pricing (Complete Tower Light)	Pricing includes; Base & Pedestal, top cap & lights, A Complete Tower Light.
One Light \$48.00	Horn Add +\$30.00 List
Two Lights \$54.00	Part# Example: SKT60VXF-GN-GR = \$54.00
Tree Lights \$58.00	A Complete Tower Light with Green, Red on top, Flashing LED Lights, Vertical Mount with 24VDC Control.
Four Lights \$64.00	Tower Lights provided with 3ft wiring harness, 22 AWG.
Five Lights \$68.00	Reminder; 24V AC+DC, NO UL approval required.

Dimensions mm/inches (3 lights tall)

Adjustable Angle base Option

Adjustable 180° angle mount base
Accessory Part #G8 \$10.00

Note: UL not required when 24 volt AC/DC
