

**Factory Assembled Units:**

Type SK60 Tower Lights do **NOT** permit **increasing** the number of lights in a tower in the field. Removing Lights is Possible. A 3 light tall can be reduced to 2 lights, etc. Replacing Lights is Possible. (same color & voltage only)

<b>Towerlite Size</b>	SK60
<b>Per Light Stack</b> <i>(Price per light stack level includes bulb, socket &amp; lens)</i>	
<b>Mounting Type</b>	
V- Vertical	
H - Horizontal	
<b>Horn</b>	
H - Horn 90db, NEMA 1	+\$30
<b>Circuit type</b>	
C - Continuous	
F - Flashing	

**\*LED**  
**\*Long Life**  
**\*Low Power Consumption**

<b>LED = Long Life Bulbs</b>	- 20° F, + 122° F
<b>Technical specifications</b>	+ - 10% Voltage
250V 50/60HZ AC Max 1.5W	Insulation Voltage 600V AC
24V DC Max 0.4W	6,000' Ft, Altitude.
LED 15mA, 200mA Max	NEMA 12, IP54
Poly carbonate Plastic	(NEMA4,IP65 Jan.2011)

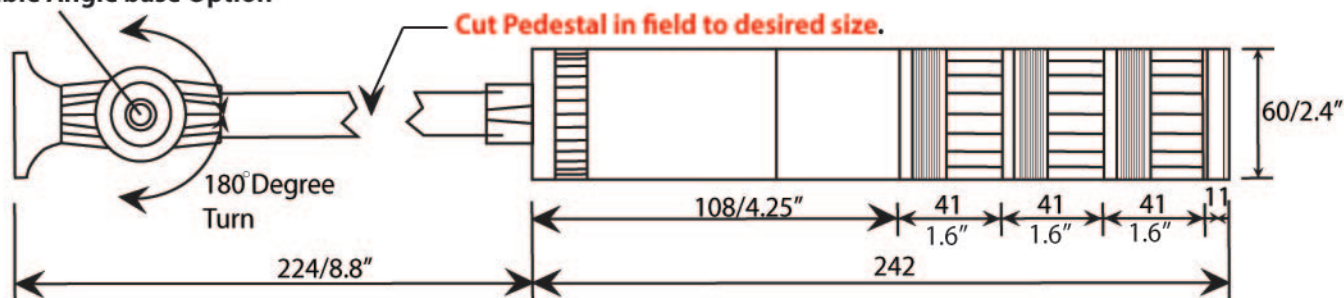

**Factory Assembled Towerlite Part Number & Pricing Worksheet:**

<b>Pricing (Complete Tower Light)</b>	<b>Pricing includes; Base &amp; Pedestal, top cap &amp; lights, A Complete Tower Light.</b>
One Light \$48.00	Horn Add +\$30.00 List
Two Lights \$54.00	Part# Example: SKT60VXF-GN-GR = \$54.00
Tree Lights \$58.00	A Complete Tower Light with Green, Red on top, Flashing LED Lights, Vertical Mount with 24VDC Control.
Four Lights \$64.00	Tower Lights provided with 3ft wiring harness, 22 AWG.
Five Lights \$68.00	Reminder; 24V AC+DC, <b>NO</b> UL approval required.

**Dimensions mm/inches (3 lights tall)**

**Adjustable Angle base Option**

Adjustable 180° angle mount base  
Accessory Part #G8 \$10.00

Note: UL not required when 24 volt AC/DC
